ABOUT US

RAYAT SHIKSHAN SANSTHA, SATARA

The Rayat Shikshan Sanstha founded by Late Dr. Karmaveer Bhaurao Patil in 1919, is one of the leading educational institutions in Asia. The value of its contribution to education in general is enormously great, as it has from the very beginning tried all its best to lay emphasis on the education of the downtrodden, the poor and ignorant that really form the major bulk of society. Late Dr. Karmaveer Bhaurao Patil was man of masses who devoted all his mind and heart to the cause of their education. He had an incisive understanding of the social ills that beset his times and had fully realized the dire need of the spread of education. He believed that education alone could eradicate illiteracy, untouchability, caste-hierarchy, money lending and superstitions, social and economic inequality. All his life he tried to translate this belief into reality. He was the prophet of the poor, the weak and the dispossessed and left no stone unturned for their upliftment.
